DISCIPLING & MENTORING AT INDIGENOUS BIBLE COLLEGE

September/October 2025

Dear Family and friends,

Thank you for taking the time to hear about our family and ministry updates and for praying for us! We deeply appreciate our partners in building God's Kingdom through the ministry at Indigenous Bible College. As we continue through the Fall semester, I am reminded of the words in Isaiah 25:1:

"Lord, you are my God; I will exalt you and praise your name, for in perfect faithfulness you have done wonderful things."

The wonderful things He has been doing!

Bringing 10 new students and 18 returning students this Fall semester

We're thankful to God for the 28 full-time students He's brought this fall semester and for their heart to seek Him and grow together in community.

Blessing at Our Annual Kickoff Kampout — Lake Powell

The Student Life Team and mentors took the entire student body to camp at Wahweap Campsite, where students reflected on the many ways they connect with God while taking in the beauty of His creation by the lake. The weekend was filled with meaningful teaching around the campfire, fun in the water, and group activities that deepened relationships and strengthened community.

Investing in Student Growth Through Mentorship

This semester, I have the privilege of walking alongside two second- and third-year students as they pursue their degrees at IBC. It's been a joy getting to know them and helping them find intentional ways to meet with God. We're currently in Unit 2 in our Spiritual Formation curriculum, focusing on understanding our identity in Christ and uncovering the lies we sometimes believe. Please continue to pray that our students would embrace the truth of who they are in Christ.

Mending Souls through Native Mending the Soul (NMTS)

I'm grateful for the commitment of the women in our NMTS group (which began in June) as they faithfully worked through the workbook and allowed God to bring healing to their deep wounds. We continue to meet as they process their journeys and prepare for future ministry, with the goal of equipping them to one day facilitate their own groups. Please keep praying for those who have completed the course and feel called to walk with others through their healing journey. Also, pray for our team as we plan for the Spring NMTS training outside of Arizona!

Lasiloo News

Although it has been a challenging journey, we praise God for His faithfulness in leading us to a local church and a small group that we now attend weekly. This community has been such a blessing, especially as we continue to grieve the loss of my brother-in-law. Thank you for your prayers—we have truly felt God's comfort and peace.

Upcoming Highlights

- The next unit in the Spiritual Formation curriculum, Relating to One Another, begins on **November 10**. In this unit, students will explore biblical and practical ways to build and maintain healthy relationships.
- Fall Conference is a three-day IBC event held on campus for students and guests, taking place **November 18–20**.
- End of Semester: **December 12**
- Native Mending the Soul Training: Flagstaff, Montana, South Dakota, and British Columbia — **January & February**

Thank you! Luke and I are thankful for each of you and pray that God continues to provide all that you need and be encouraged! God Bless!
